

# YOUNG SCIENTISTS FOR THE FUTURE

**Tuesday, December 2nd 2014,  
in Marc Ridet room (INRA Campus of Auzeville – France)**

*About 200 applications were received in the context of this call for 4 post-doctoral positions in the TULIP partner labs. After selection by the TULIP Scientific Committee, a few of them were shortlisted for an interview: an oral presentation of their work and their research project that must fit into the TULIP topics.*
